Qualità certificata
La sicurezza e la qualità dei supporti Meliconi sono state certificate dal gruppo TÜV dopo il superamento di una serie di severi test. In particolare il carico massimo dichiarato è stato verificato con un fattore di sicurezza pari a 3 volte il peso.

Certified quality
The safety and quality of Meliconi's supports are certified by TÜV upon successful completion of severe tests. Load-bearing capacity has been tested loading the product with three times the maximum weight stated on it.

Qualité certifiée
La présence du logo TÜV atteste que les produits MELICONI ont passé avec succès les nombreux tests de qualité et de sécurité nécessaires à leur commercialisation. Ainsi, le poids supporté par chaque produit a été validé par l'application d'un coefficient de sécurité équivalent à 3 fois ce poids.
